

Chairman Powell and Commissioners; Im trusting that your vote on June 2 will reflect the will of the owners of the u.s. airways= the people, and not the rich media monopolies, some of which do not live in our country. I was appaled at the pro-war stance of the media during our disgusting aggression agst. the peoples of Iraq. This is corrupt opportunism on a massive scale. You should be ashamed of yourself Mr. Powell. I say no to media consolidation, No to pay-back time. You can no longer sweep this issue under the rug! We are not going to stand for your corruption of our democratic rights!!!!!! Sincerely, Ben Hunt- One who feels AND acts...
